Please let me know if you would like for me to post a summer packet to help them review during the summer the topic's we learned throughout the school year in math and I will see what I can find for science as well.

Please remember that during our Zoom meeting we will be doing whole group reading, discussions, and videos to use different learning methods relating to our daily lessons. If you have any questions, feel free to reach out to me.

Thank you,

Ms. Angie
